TOWN WARRANT

State of New Hampshire

To the Inhabitants of the Town of Newport, qualified to vote on Town Affairs:

You are hereby notified and warned to meet at the Town Hall in said Town of Newport on the second Tuesday of March next at nine o'clock in the forenoon to act upon the following subjects:

ARTICLE 1—To elect a Selectman for a term of three years; to elect a Town Treasurer; and a Town Clerk for the ensuing year.

ARTICLE 2—To elect a Member of the Trust Fund Commission for three years, and all other officers, Auditors, Agents, and Committees necessary for the Town Business.

ARTICLE 3—To see what action the Town will take upon the Budget submitted by the Budget Committee. (Under the heading of General Government the Budget Committee has approved the salaries for Town Officers as follows: Town Manager \$4,000.00; Selectmen \$2,000.00; Auditors \$50.00; Treasurer \$150.00; and Town Clerk \$500.00. Under Town Officers' Expenses in the Budget an item of \$500.00 is included and recommended as the expenses of the Town Manager; but in the event that the Town should vote to dispense with the Town Managership Plan, then the approved item of \$4,000.00 for the salary of Town Manager and the item of \$500.00 for Town Manager's Expenses are to be subtracted from the total budget of the Town and shall not be used in determining the amount to be raised by property taxes).

ARTICLE 4—To see if the Town will vote to rescind its adoption of the Town Managership Plan as prescribed in the Revised Laws of the State of New Hampshire, Chapter 55, and pass any vote in relation thereto.

ARTICLE 5—To hear the reports of the Selectmen, Town Treasurer, Auditors and Committees heretofore chosen, and pass any vote in relation thereto.

ARTICLE 6—To see if the Town will vote to authorize the Selectmen and Town Treasurer to borrow money on the notes of the Town in anticipation of Taxes, and pass any vote in relation thereto.

ARTICLE 7—To see what discount the Town will vote to allow on 1949 taxes if paid on or before July 15, 1949.

ARTICLE 8—To see if the Town will instruct the Selectmen to use the cash surplus remaining at the close of the year ending December 31, 1948 to be used to reduce the amount to be raised by property taxes.

ARTICLE 9—To see if the Town will authorize the Selectmen to administer or dispose of any real estate acquired by the Town through Tax Collector's deeds.

ARTICLE 10—To see if the Town will vote to authorize the Selectmen and Town Treasurer to renew for a period of ten years with interest at six percent per annum, payable semi-annually, the so-called Richards Library note for \$10,000. due January 1, 1949.

ARTICLE 11—To see if the Town will approve and adopt the following special articles which have been approved and recommended by the Budget Committee, and vote to raise and appropriate the various sums therefor which have been included in the Budget presented to the Voters:

(a) To see if the Town will vote to raise and appropriate the sum of \$900.00 to repair the ground floor of the Fire Station Building or act on anything relating thereto.

(b) To see if the Town will vote to authorize the Selectmen and/or Town Manager to purchase a truck for the Highway Department. To raise and appropriate the sum of \$2,600.00, or act on anything relating thereto.

(c) To see if the Town will vote to raise and appropriate the sum of \$2,000.00, said sum to be matched equally by the County for the outside repair of the Court House and Town Hall Building, or act on anything relating thereto.

(d) To see if the Town will vote to raise and appropriate the sum of \$6,000.00 to be used for the Carrie F. Wright Hospital at Newport, and pass any vote in relation thereto.

(e) To see if the Town will vote to maintain a street light on Walnut Street to be located at the crest of the hill and adjacent to property now owned by Allen Whipple and Norman Lacroix; said street light to be placed so that it will light the corner and hill and also effectively illuminate the southern extension of the street which is not now lighted, and to raise and appropriate the sum of \$22.00 for the cost of electricity for the year 1949.

(f) To see if the Town will vote to raise and appropriate the sum of \$1,900.00 to be used for the extension of its sewer system from the end of the same on Sunapee Street to a point on Pinnacle Road near the residence of Robert Onnela, and pass any vote in relation thereto.

(g) To see if the Town will vote to extend the Sewer System so as to include the residents of Newport Heights, so called, and instruct the Selectmen and Town Treasurer to issue notes or sewer bonds to the amount of \$17,000.00 as obligations against the Town. Said obligations to be signed by the Selectmen and the Town Treasurer, they to determine the rate of interest to be paid. Said sewer serial notes and/or sewer serial bonds to be issued in compliance with the Laws of the State of New Hampshire, and pass any vote in relation thereto. (The Budget Committee has approved the special article calling for the extension of the sewer system to the residents of Newport Heights, and the issuance of notes or bonds to cover the same under the following conditions:

(1) That the cost of said project is not to exceed \$17,000.00.

(2) That the project shall be undertaken only on the advice of a competent engineer who shall estimate the cost to construct a sewer system which shall include all houses on Newport Heights east of the Franklin Emery place, so called, and shall terminate at the Sugar River but no part of the project shall be undertaken unless it can be accomplished within the price specified.)

(h) To see if the Town will vote to raise and appropriate the sum of \$1,000.00 to repair and resurface in a suitable manner the highway leading from Herbert Martin's home on Oak Street to the Sugar River Manufacturing Company premises, and pass any vote in relation thereto.

(i) To see if the Town will vote to raise and appropriate the sum of \$500.00 for the purpose of publicizing and promoting the natural advantages and resources of the Town, together with other towns in the Dartmouth-Lake Sunapee Region Association, and pass any vote in relation thereto.

(j) To see if the Town will vote to raise and appropriate the sum of \$400.00 for Blister Rust Control, and pass any vote in relation thereto.

(k) To see if the Town will vote to raise and appropriate the sum of \$1,044.22 provided the State will contribute \$4,176.86 to the Town to be used for T.R.A. Roads, and pass any vote in relation thereto.

(l) To see if the Town will vote to raise and appropriate the sum of \$1,000.00 for the collection of garbage for the ensuing year, and pass any vote in relation thereto.

ARTICLE 12—To hear the report of the Town Planning Committee appointed under Article 38 of the 1948 Town Meeting and to see if the Town will vote to adopt the provisions of Chapter 53, Section 1-15 Revised Laws of New Hampshire relating to Town Planning and/or Chapter 51, Section 50-71 relating to Zoning, and pass any vote relating thereto.

ARTICLE 13—To see if the Town will vote to authorize the Selectmen to sell a tract of land and give a suitable deed to the Newport Hellenic Society, for the purpose of maintaining a Memorial Park for the late Sargeant Robert C. Haserlat. Said tract lies on the northerly side of the new road to North Newport and runs a distance of five hundred (500) feet along the Newport-Croydon Highway; thence runs Westerly one hundred fifty (150) feet along the Northerly side of said new road; thence in a straight line Northerly for a distance of not over five hundred (500) feet; thence Easterly in a straight line to the point of beginning.

ARTICLE 14—To see if the Town will vote to extend its water system from the end of the same on Newport Heights at or near Emery's residence along said Newport Heights and around to Claremont Hill to connect with the water system at or near Harold Salley's residence; and instruct the Selectmen and Town Treasurer to issue Water Serial Notes or Water Serial Bonds to the amount of \$14,000.00 as obligations against the Town; said obligations to be signed by the Selectmen and Town Treasurer; they to determine the rate of interest to be paid. Said Water Serial Notes and/or Water Serial Bonds to be issued in compliance with the Statutes of the State of New Hampshire, and pass any vote in relation thereto. (This article is not included in the Budget with a suggested appropriation).

ARTICLE 15—To see if the Town will vote to extend its water system from the end of the same on Maple Street Extension at or near Walter Turpeinen's residence along said Maple Street Extension as far as the residence of Morrill Chapman; and instruct the Selectmen and Town Treasurer to issue Water Serial Notes or Water Serial Bonds to the amount

of \$ as obligations against the Town; said obligations to be signed by the Selectmen and Town Treasurer; they to determine the rate of interest to be paid. Said Water Serial Notes and/or Water Serial Bonds to be issued in compliance with the Statutes of the State of New Hampshire, and pass any vote in relation thereto. (This article is not included in the Budget with a suggested appropriation).

ARTICLE 16—To see if the Town will vote to raise and appropriate the sum of \$1,000.00 for the establishment and maintenance of a Veterans' Service Office and the employment of a Veterans' Service Officer for the ensuing year. (This article is not included in the Budget with a suggested appropriation).

ARTICLE 17—To see if the voters of the Town will instruct the Selectmen to take whatever action is necessary to regulate and carry off the flow of surplus water on Beech Street, at or near the residence of Ernest Tarullo; and raise and appropriate \$2,000.00 therefor; and pass any vote in relation thereto. (This article is not included in the Budget with a suggested appropriation).

ARTICLE 18—To see if the Town will vote to instruct the Swimming Pool and Recreation Committee to investigate the feasibility of developing municipal swimming facilities on the North Branch of the Sugar River on land now owned by the Town adjacent to the new North Newport Road, and if found feasible, to develop such facility within the limits of the available funds.

ARTICLE 19—To see if the Town will vote to instruct the Selectmen to investigate the condition of the highway over the Pinnacle leading to the Watkins Forest and if in their opinion they deem it wise for any purpose, to authorize them to convey to Thomas W. Watkins, Charles H. Watkins and Margaret W. Wilmot the so-called Watkins Forest near Coit Mountain as the same was conveyed to the said Town by said Watkins' June 24, 1943 by deed recorded in Sullivan County Records, Vol. 285, Page 422.

ARTICLE 20—To transact any other business which may legally come before said meeting.

(Polls shall be open for the reception of ballots at 9:30 A.M., and shall not be closed earlier than 7:00 P.M.)

Given under our hands and seal at Newport, New Hampshire, this eighteenth day of February, 1949.

LESLIE M. PIKE,
CLYDE G. PRATT,
MAURICE H. CUMMINGS,

Selectmen of Newport, N. H.

POLICE DEPARTMENT REPORT

— : —

To the Selectmen and Town Manager of the Town of
Newport:

The Police Department in this yearly report to the Selectmen and Town Manager presents a partial review of the many activities that it has performed. Much of the department's routine activity cannot be published in this report since its character is preventive. They and similar records in other Police Departments are a great source of the factual material, which contribute greatly to the police work in the State of New Hampshire.

CRIMES AND VIOLATIONS

Crimes

Abandonment	1
Aggravated Assault	1
Brawls	3

HEALTH OFFICER'S REPORT

— : —

To the Board of Selectmen and Citizens of Newport:

I wish to report my activities as Health Officer for the Town of Newport. I also wish to express my thanks for the fine cooperation of Mr. John Peck of the State Division of Sanitary Inspection of Newport. I have worked very closely with Mr. Peck and have made inspections of barns and dairies of the milk producers, both retail and wholesale. In general we have found them to be in fair sanitary conditions but in many cases there could be minor improvements that would assure our community a better and healthier milk supply.

An inspection of all tourist homes, overnight camps, hotels, eating places, drug and grocery stores has been made at least once, while some have had repeated inspections. I wish to express my appreciation for the fine individual cooperation in correcting some of the overlooked features of their business.

In closing my report I wish to make this appeal to those citizens who have made private dumps in their back yard, use the river banks or their neighbors property for this purpose. In this one instance more damage can be done to destroy community health than by allowing carriers of communicable diseases the privilege of carrying on social activities. In many cases notices posted prohibiting such dumping places have been covered with more rubbish or removed. If this situation continues the town will have a rat menace which will be detrimental to the health of the proper as well as destroying valuable property.

Respectfully submitted,

LEON E. FITTS,
Town Manager

REPORT OF THE FIRE DEPARTMENT

To the Selectmen and Town Manager of the Town of Newport:

I hereby submit my report for the Fire Department for the year ending December 31, 1948. The Department responded to 138 alarms during the year; 7 bell alarms, 122 still alarms, 1 brush fire alarm, 7 out-of-town calls and 1 false alarm. Except for the fire at the Gordon Mills the loss has been very light.

The fire house apparatus room floor is quite weak and I recommended that steel girders be placed underneath to strengthen it. We will need a small portable pump to put on the new Reo truck, the cost of this will be about \$450.00. Also we would like to extend our fire alarm system by placing a box at the top of Maple Street Hill and one on Cheney Street Extension. The men in the Department are well trained and well equipped.

The men of the Department and myself feel deeply the loss of our former Chief George E. Lewis who served so faithfully through the 65 years he was a member of the Department.

I wish at this time to thank the members of the Fire Department, the Board of Selectmen and the Town Manager for the splendid support they have given me during the past year.

HERBERT H. WRIGHT,
Chief

CONSTRUCTION AND REMARKS

During the year twelve additional houses have been connected to the system.

Sewer main extensions were as follows: 260 feet of 6 in. sewer pipe were laid on Pine Crest at a cost of \$623.10 and 250 feet of 4 in. sewer pipe laid on Lincoln Avenue at a cost of \$384.30.

FRANK H. CRAM, Supt.
SOPHIE G. REGO,

Clerk

January 1, 1949.

REPORT OF WATER DEPARTMENT

To the Citizens of Newport:

The Water Department submits herewith the Annual Report for the year ending December 31, 1948, in form as prescribed by the Public Service Commission.

During the year main line extensions were made as follows: 878 ft. of 6 inch pipe on Park View Street, 258 ft. of 6 inch pipe on Pine Crest, 700 ft. of 2 inch pipe on Claremont Hill, 250 ft. of 1 inch pipe on Lincoln Avenue, and 300 ft. of 1 inch pipe on Dewalt Avenue. One new hydrant was installed on Park View.

Due to a delay in receiving pipe, the proposed main line extension on the Unity Road and northerly of the Golf Club will not be started until this spring.

Land adjoining the pond, known as the Gilman farm, was purchased by the town.

Service pipes were laid to twenty additional houses.

The actual cash received during the year and turned over to the Town Treasurer was as follows:

Water Rents	\$20,272 56
Labor and Materials	3,185 01
	\$23,457 57

FRANK H. CRAM,
Superintendent

SOPHIE G. REGO,
Clerk

REPORT OF SPERINTENDENT OF SCHOOLS

To the Newport School Board:

I herewith submit my first annual report as Superintendent of Schools:

The past year has been a period of progress for the Newport schools. Among the highlights of the year, I would list the following:

1. State Aid in the amount of \$23,180.77, making possible better salaries, better equipment and supplies through a source other than local taxes.
2. A salary schedule for teachers.
3. Employment of a full-time Music Supervisor.
4. A Workshop for elementary teachers.
5. Participation in the School Milk Program.
6. The renovation and repair of the Richards School.
7. Acquisition of six elementary class rooms through the construction of the Addition to the Richards Annex.

ENROLLMENT

There is a moderate increase in the number of pupils enrolled in the first grade this year. This is in keeping with a nation-wide trend of larger enrollments in the elementary school.

This year, for the first time, the annual school census included an enumeration of children from birth to five years as well as those from 5-16. Indications from the census are that we are likely to have larger entering first grade classes for some years to come.

TEACHERS

The problem of obtaining and keeping competent teachers continues to be the most important one in our schools today. Fortunately, the supply of secondary teachers, except in certain specialized fields, is much greater. However, the small number of elementary teachers available creates the real problem, especially when the elementary enrollment continues to rise. The two State teachers colleges, which naturally should furnish the bulk of the replacements necessary, will have less than 25 elementary graduates this June.

Normally there is an elementary turnover in this state of between 150-200. Thus it can be seen that the demand in this field will far exceed the supply.

SALARY SCHEDULE

This year, for the first time, we are operating under a salary schedule for teachers. At the last annual meeting, the District voted to adopt a schedule. The schedule was worked out jointly by the School Board and the teachers. (See schedule elsewhere in this report).

The Newport Salary Schedule contains two unique features. In the first place it is flexible and is based on the Consumer's Price Index compiled by the United States Bureau of Statistics. Secondly, teachers carrying more than a normal load of extra-curricular duties are given extra compensation over and above the base salary.

The Town is to be commended in supporting a salary schedule. It will place the salaries paid here on a par with other communities in the state. It should enable us to retain competent teachers and to secure competent replacements.

This year there were eight replacements in the teaching staff. This number is considerably smaller than it has been in recent years—possibly a positive result of the new schedule.

MUSIC SUPERVISOR

This year, for the first time, Newport has a full-time Music Supervisor. Previously, we have combined with Sunapee in this position. The Music Supervisor is also Director of the Band. Previously the band has been handled by a high school teacher who, because of a full teaching load, could not devote adequate time to the job.

There has been a large increase in the number of pupils taking instrumental lessons. Last summer a very successful band school was held.

PLAYGROUND EQUIPMENT

Playground equipment, consisting of slides and teeters, was installed at the Primary School as a gift from the Young Memorial Fund. Similar equipment is needed at the Richards School for the youngsters in the lower grades.

MILK PROGRAM

We are participating this year in the federal milk program. An average number of 135 at the Primary School and 115 at the Richards School purchase milk at a cost of four cents per day. The District is reimbursed by the federal government at the rate of two cents per bottle.

PRE-SCHOOL CLINIC

A pre-school clinic for children entering the first grade was sponsored by the Parent-Teachers Association. The response to this project was excellent. We are grateful to Doctors Roe and Weigle who conducted the examinations and to the many mothers who assisted.

WORKSHOP-EXTENSION COURSE

A three-day workshop for elementary teachers was held November 29-December 1. This institute was conducted by Dr. Gertrude Lewis, Director of Elementary Education, State Board of Education. The work in Social Studies for grades 1-8 was considered and the teachers had an opportunity to work out a co-ordinated course in this area of work.

In keeping with the state-wide program in in-service training for teachers, we expect to offer an extension course in Mental Hygiene later in the year. This course will be conducted by Dr. Anna Philbrook who is recognized as an authority in this field.

TRANSPORTATION

Based on the first year of operation, the ownership of buses by the District appears to result in a substantial saving.

(Elementary Transportation Summary):

1946-7—Paid Condos and Brooks \$ 6,698 00

1947-48—(Elementary
school operation)

154 days \$4,633 00

Addition amount estimated
for a full year's operation—180 days

695 00

5,328 00

Saving

\$ 1,370 00

It is reasonable to assume that the saving from public operation was several hundred dollars more than \$1,370 for if the District had continued to hire transportation, it would have been necessary to substantially increase the 1946-47 contract figure of \$6,698 to take care of the increase in operational costs.

Bus complaints have been negligible. There are members of the Student Safety Patrol on each bus. Each bus covers two routes, both morning and afternoon, so that some stops have been combined in order to save time.

The Lions Club donated two bus shelters. One was placed at Guild and the other at Pollard's Mills. These are a great help, especially in bad weather.

In September a new route was added on Maple Street Extension. Pupils of this area were entitled to this service as the distance was beyond the two-mile limit. It was also necessary to extend the East Mountain route to the Lewis house on the Goshen Road.

TUITION

The tuition rate is as follows:

	Elementary	High School
1948-49	\$84.27	\$103.15
1949-50	\$90.00	\$127.22

REPAIRS

Minor repairs and the regular summer cleaning of all buildings were carried out by the janitors.

At Towle, the boys' and girls' basements were painted. Some metal stair treads were installed. The boilers were repaired.

The major part of the repair program was carried

on at the Richards School. This was made possible by the vote of the District at the last annual meeting authorizing the expenditures of \$24,000 for repairs and equipment. A partial list of repairs and improvements include:

- (1) A sprinkler system installed in the basement, boiler room, shop and paint room.
- (2) The chimney was enlarged.
- (3) Construction of new steps and door on to the fire escape from the study hall.
- (4) The fire escape was further braced and painted following the recommendations of the State Fire Marshall.
- (5) A boy's shower stall was constructed.
- (6) The slate roof was replaced with asphalt shingles.
- (7) New maple floors in two class rooms, the study hall and the first and second floor corridors.
- (8) New drinking fountains.
- (9) The sheathing in the assembly hall was repaired, the floor sanded and the entire hall repainted.
- (10) One new outside door and two sets of panic hardware.
- (11) The boiler room doors were covered with metal, and a window into the basement was bricked up.
- (12) Additional fire extinguishers were secured.
- (13) Five class rooms, the Study Hall, and Home Economics room were painted during the summer.
The Principal's office, Teachers' room, and all the hall and stair areas from the third floor to the basement were painted during Christmas vacation.
- (14) The area in the rear of the school extending to Sunapee Street was leveled for use as a playground. A new fence was erected around the play area.

The improvements listed above have done much to restore the Richards School to an acceptable condition. It is an old school and several of the rooms are not especially adaptable to modern methods of instruction. Yet the equipment and the rooms have been put in as good a condition as is possible without making major structural changes to the building.

NEW EQUIPMENT

The major items of new equipment are as follows:

School Nurse—Vision Tester.

Home Economics Dept. —2 sewing machines.

Maintenance Dept. —Power lawn mower.

Towle—

5 Typewriters.

12 Library chairs.

30 Tablet arm chairs for study hall.

Richards—

200 Desk and chair units for class rooms and study hall.

75 Folding chairs for the assembly hall.

NEW ELEMENTARY ROOMS

The addition of six elementary class rooms has been the biggest improvement of the year to the school system. It will do away with the practice of running classes from 45 to 50 pupils per teacher in several of the elementary grades—a practice made necessary by the lack of elementary rooms. It will not be necessary to house some of our pupils in store or factory rooms as has been done for the last several years. The acquisition of the Addition to the Richards School Annex marks the first of a series of necessary steps that need to be taken to provide Newport with an adequate, modern educational plant.

CONCLUSION

The schools—like other business—have felt the effects of higher costs and rising prices. School budgets must be increased if we are to continue to provide as good a school program.

I wish to express my appreciation for the cooperation received during the past year from the school staff, together with the loyal support of the School Board, and the continued interest of the other citizens in the welfare of the Newport schools.

Respectfully submitted,

GORDON B. FLINT,

Superintendent of Schools

NEWPORT TEACHERS SALARY SCHEDULE

— : —

(Adopted by School Board and Teachers; effective
Sept. -, 1948)

Basic

1. The basic principle of this schedule is a single salary schedule for all teachers with equal training experience.
- 1-A. This plan provides for a flexible salary schedule using the Consumers Price Index compiled by the Bureau of Statistics of the United States Department of Labor. The average of the monthly index numbers for the previous calendar year will be used to determine the category for the year.
2. Extra-curricular duties are to be evaluated according to a point system. Each teacher shall be expected to carry a normal load of ten points without compensation. For each point in excess of ten, the teacher shall receive extra compensation over and above the stated amount of the contract at the rate of \$5 per point. No teacher shall carry more than seventy points total in any given contract year. Extra-curricular duties shall be assigned by the heads of the schools with the approval of the Superintendent. Compensation for extra-curricular activities shall be made at the end of the school year.
3. Teachers with ten or more years of credited experience will receive annual increments according to the following table or as the Board determines, until the proper place on the schedule is reached:

(a) If the difference between 1947-48 salary is:	
0-400	The increment—\$300
401-800	The increment— 350
801-1200	The increment— 400
4. Teachers with less than ten years of credited experience will receive annual increments as provided below, or as the School Board determine

until the schedule requirements are met.

The increase provided on the schedule **plus** the amount allowed by the following table:

If the difference between the 1947-48 salary and proper place on schedule is:

	Increase
0-400	\$175
401-800	200
801-1200	250

5. Teachers shall be entitled to ten days sick leave accumulative to thirty days. Any teacher absent for more than ten school days shall, upon his or her return, present a doctor's certificate to the Superintendent.
6. The School Board may, if it deems advisable, place a teacher upon a step in the schedule other than that which his preparation and experience provides but his maximum shall not exceed that of the schedule.
- 6-A The School Board reserves the right to withhold a teacher's increment if it is felt her work for the previous year does not warrant an increase.
7. Salaries of administrative personnel and special teachers are not included in this schedule.
8. Increases are granted only by vote of the School Board. This schedule is subject to revision at any time by vote of the Board, but any changes in the schedule will be discussed with the Teachers' Association before definite action is taken by the School Board.
9. Each teacher is required to earn at least four semester hours of credit through an accredited post-secondary institution every five years, subject to the approval of the Superintendent of Schools.
10. A teacher's degree status as of September 1 of any contract year shall determine the schedule under which his contract shall be made, provided that the School Board is notified of the likelihood of such change in degree status by the previous January 1.

Schedule of Extra-Curricula Point Values:
Administrative Assistants:

Activities	Sen. High Grs. 10-12	Jr. High Grs. 7-8	Elim. Grs. 1-6
Assistant Principals	50	40	30
Dean, Boys and Girls	20	15	10
Department Heads	10	10	
			.per grade)
School Registers	10	10	5
School Accounts	10	5	
Athletic Assistants:			
Football	35	20	
Basketball (boys)	25	15	
Basketball (girls)	15	10	
Baseball	25	15	
Field Hockey	15	10	
Track	15	5	
Softball	10	5	
Ice Hockey	10	5	
Winter Sports	10	5	
Faculty managerships (seasonal)	5		
Miscellaneous Advisors and Coaches:			
School Paper	20	15	
Year Book	10		
Senior Play	15		
One-Act Plays	5		
Debating	10	5	
Class and Club Advisors	5	5	
Operetta Assistants	10	10	
Band	40		
Orchestra	30		

Compensation for extra-curricular activities shall be made at the end of the school year when the final salary payment is made.

ANNUAL REPORT OF THE HEADMASTER TOWLE HIGH SCHOOL

January 13, 1949

Superintendent Gordon B. Flint
Newport,
New Hampshire
Dear Mr. Flint:

I am submitting herewith the Annual Report for Towle High School, which includes a supplement of statistical material as follows:

Table	I	Enrollment by Grades.
Table	II	Tuition Pupils.
Table	III	Attendance Record.
Table	IV	Perfect Attendance 1947-48.
Table	V	Honors List—Class 1948.
Table	VI	Test Results.
Table	VII	Prize Speaking Contest Results.
Table	VIII	Student Activities Financial Report.
Table	IX	Faculty Roster.
Table	X	List of Graduates—Class of 1948.

During the past year I believe the following items have been significant in the welfare and progress of our school:

1. The Teachers' Salary Schedule.

The adoption of the salary schedule has helped teacher morale immeasurably. This is the first year that I can recall that the teachers' minds were not preoccupied with problems relative to their economic status. The most significant features of the schedule are first, the flexibility which recognizes cost of living problems and secondly, the point system for extra-curricula compensation. The good which has grown out of this is directly reflected in student performance as shown in the test results reported in Table VI of the supplement.

2. The Extra Curricula Program.

Towle High School is conducting a broader program of student activities than any other high school in the state of equal size. These activities include:

Athletic Activities:

Football	Ice Hockey
Field Hockey (Girls')	Skiing
Cross Country	Baseball
Basketball	Softball (Girls')
Basketball (Girls')	Track
Golf	

Extra-Curricula Activities:

Band	Prize Speaking
Orchestra	Y-Teens
Glee Club	Home Economics
Dramatics	Hi-Y
Debating	School Paper

Student Council

All of the activities listed above are conducted under the supervision of teachers whose training and interest provide adequate guidance for the participants.

There are those who scoff at anything a school does outside of the purely academic realm. They deplore the fact that students have, "too many activities." My answer to such claims is, that these activities, more than anything else in a student's life are responsible for maintaining their interest in the educational process. The record shows that many students turn these activities into useful vocations in later life. They are of such vital importance in the student's school experience that we should do everything in our power to enrich and extend them.

3. The Housing Problem.

The broad program of student activities referred to above is carried on under the poorest imaginable physical conditions. The community went on record last January in favor of a plan which would solve this housing problem by giving us, step by step, (1) a gymnasium, (2) vocational shops, (3) necessary rooms to accommodate a modern six-year Junior-Senior high school. In the opinion of qualified observers, Federal Aid to Education will be enacted in the Eighty-First Congress and State aid will be continued on the present levels. We have a substantial sum in the Wheeler fund. In view of these things, it seems to me that a proper high school building can be provided without

too much direct burden upon the property taxpayers. I believe it is our civic duty to see that this is done without delay.

To the students, faculty, parents and others in the community who have contributed to our educational efforts of the past year, I wish to express my sincere thanks.

Respectfully submitted,

ERNEST M. PERKINS,

Headmaster

NO-SCHOOL SIGNAL

When the weather is so bad that it is inadvisable for children to attend school, the no-school signal will be sounded by the fire whistle at 7:30 in the morning. The signal is 2-2-2-. When it is necessary to close school in the morning it will mean that school sessions will be omitted all day. It would be practically impossible to get bus and tuition pupils to attend an afternoon session only.

The no-school signal will also be given on radio stations WKNE and WTSV at 7:00, 7:35 and 8:00 A.M.

When the weather conditions make a single session advisable, the fire whistle will be sounded at 11:15 A.M. This will signify classes continuing beyond the usual noon dismissal but closing soon thereafter for the day.

REPORT OF SCHOOL NURSE

— : —

Mr. Gordon B. Flint
Supt. of Schools
Newport, N. H.

Dear Sir:

I herewith submit my first annual report as school nurse:

This past year has been one of very little serious illness. As usual there have been many colds and the usual amount of communicable diseases, toothaches and headaches.

In doing my vision tests, I have found a number of children who needed the attention of an eye specialist. The School Department has purchased a Massachusetts Vision testing apparatus and that has been of great value. Through different organizations the school childrens' eyes have been taken care of and it is greatly appreciated.

The Salvation Army purchased a Maico Audiometer to test the childrens' hearing and a number have been found to have loss of hearing.

The school childrens' posture needs a great deal of attention and would be improved by a Physical Education teacher or on recommendations of a school doctor.

The children have attended Tuberculosis Clinics and Dental Clinics as usual and much time has been spent by Dr. Keane in caring for the permanent teeth of the pupils in the first three grades. Much assistance has come from the Red Cross.

At the close of the school year in June, a Pre-School Clinic was carried on for the registration of children coming to school for the first time. It was sponsored by the P.T.A. Dr. Roe and Dr. Weigle did the physical examination on each child. I think this has been an asset to the teachers in knowing just what to expect from those children.

There are many children carrying their lunches to school and I hope that at some time in the near future, they can be served a hot lunch at noon.

Children were taken to the Child Guidance Clinic in Concord, Orthopedic Clinic in Concord and to Hanover Clinic for defective vision and hearing.

I attended the New Hampshire State Nurses' Meeting and the School Nurses' section of the New Hampshire Teachers' Convention at Concord and the School Nurses' Workshop at Keene.

In closing my report, I wish to thank all organizations for their help and financial aid, and to Mr. Flint, teachers and the parents of the children for their cooperation.

January 1, 1948 to January 1, 1949

545	School visits
156	Home visits
1184	Vision tests
124	Defective vision
880	Hearing tests

10	Chest X-rays given teachers

Respectfully submitted,

MARGUERITE P. TALLMAN,
School Nurse

REPORT OF THE SCHOOL BUILDING COMMITTEE

The Building Committee, as a result of school meeting votes in January and April, 1948, hired architects to design arrangement of Towle High School so that a gymnasuim, showers, team rooms and other needs of a complete athletic and physical education program might be had. The vote also included adding six (6) class rooms, toilets and stair-wells at the Richards School Annex.

The two projects were put out to bid. The Richards Annex project came within the amount voted. The Towle project was bid approximately \$92,000 over the amount voted.

The Building Committee went ahead with the Richards Annex but unable to proceed with the Towle project.

HOWARD C. BENNETT

Chairman of Building Committee

SCHOOL WARRANT

— : —

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Newport, in the County of Sullivan, in the State of New Hampshire, qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said District on the fifth day of March, 1949, at two o'clock in the afternoon, to act upon the following subjects:

Article 1—To choose a Moderator for the ensuing year.

Article 2—To choose a Clerk for the ensuing year.

Article 3—To choose one Member of the School Board for the term expiring in March, 1950.

Article 4—To choose two Members of the School Board for the ensuing three years.

Article 5—To choose a Treasurer for the ensuing year.

Article 6—To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officer or agents of the district.

Article 7—To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

Article 8—To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

Article 9—To see if the District will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the District, as determined by the Budget Committee in its budget for the School District.

Article 10—To see if the District will vote to transport high school students living beyond the two-mile limit in the same manner as is provided by law for the transportation of elementary school students and authorize the School Board to purchase a bus from funds carried over from the school year, 1948-1949. (This item is not included in the budget with a suggested appropriation.)

Article 11—To see if the District will vote to decrease the membership on its School Board from six to three members.

Article 12—(a) To see if the District will vote to build and equip a gymnasium without vocational shops on the grounds of the Towle High School and to increase the limitation of \$160,000.00 placed on the same at the Special Meeting of April 17, 1948, by \$23,755.00 so that the total cost will not exceed \$183,755.00, and to apply toward said cost the balance now in the Wheeler Fund of approximately \$79,000.00, and pass any vote in relation thereto or (b) vote to build a gymnasium, with vocational shops, on the grounds of the Richards School, and equip the same, at a total cost not to exceed \$153,000.00, and to apply toward said cost the balance now in the Wheeler Fund of approximately \$79,000.00, and pass any vote in relation thereto. (This item is not included in the budget with a suggested appropriation.)

Article 13—In the event the District votes under the preceding Article to proceed with construction of a gymnasium on the grounds of the Towle High School under said limitation as raised, to see if the District will vote to raise and appropriate in addition to the \$74,000.00 or such part thereof as may be necessary, and for this purpose to borrow said additional sum of \$30,755.00 or such part thereof as may be necessary, and to issue obligations of the Newport School District in the form of serial notes or bonds to an amount not exceeding \$30,755.00 with interest as the School Board may determine, payable exclusively from funds to be raised from taxation; and serial notes or bonds to be signed by the School Board or a majority thereof and by the School Treasurer in accordance with the statutes of the State of New Hampshire in such case made and provided, and pass any vote in relation thereto. (This item is not included in the budget with a suggested appropriation.)

Article 14—To see if the District will vote to rescind all the votes taken at the Special Meeting of April 17, 1948, insofar as the construction and equipping of a gymnasium on the grounds of the Towle High School is concerned, and pass any vote in relation thereto.

Article 15—To see if the District will vote to raise and appropriate the sum of \$74,000.00 or such part thereof as may be necessary to be expended toward the cost of the construction of a gymnasium building, with vocational shops, on the grounds of the Richards School and equipping the

same, and for this purpose to borrow the sum of \$74,000.00 or such part thereof as may be necessary, and to issue obligations of the Newport School District in the form of serial notes or bonds to an amount not exceeding \$74,000.00 with interest as the School Board may determine, payable exclusively from funds to be raised by taxation; said serial notes or bonds to be signed by the School Board or a majority thereof and by the School Treasurer in accordance with the statutes of the State of New Hampshire in such case made and provided, and pass any vote in relation thereto. (This item is not included in the budget with a suggested appropriation.)

Article 16—To see if the District will vote to authorize the School Board to engage architects to furnish working plans, necessary blueprints, specifications and draft and submit proposals for bids to contractors to construct a gymnasium building, with vocational shops, on the grounds of the Richards School, and for the necessary equipment of said building, and further to authorize the School Board to accept any bid or bids which in their judgment shall be deemed acceptable from any building contractor or contractors for the construction of such building and the necessary equipment for the same; and further, to authorize the School Board to execute any and all contracts and agreements necessary, proper or advisable in connection with the construction of such building on the grounds of the Richards School and equipping the same, and to authorize the School Board to expend from the principal and accrued interest and dividends in the Wheeler Fund toward the cost of constructing such gymnasium building and shops and equipping the same, and to authorize the School Board to accept on behalf of the District any or all grants or offers which may be made by any agency of the State and/or the Federal Government of moneys to be expended for the construction of such gymnasium, with vocational shops, and for the equipping of the same; and further, authorize the School Board to execute and deliver in the name and on behalf of the Newport School District any and all contracts, agreements which may be necessary, proper or advisable for the purpose of obtaining a grant of moneys from any agency of the State and/or the Federal Government and pass any vote in relation thereto. (This item is not included in the budget with a suggested appropriation.)

Article 17—To see if the District will vote to authorize the School Board to sell at public auction, the land and buildings known as the Kelleyville School and to convey the same to the purchaser by proper deed in the name of the School District, the proceeds of such sale to go into the Wheeler School Fund.

Article 18—To transact any other business that may legally come before said meeting.

Given under our hands this 18th day of February, 1949.
